Dave,

Travelers sent me this response to our appraisal request. They said that they cc it on to you but I didn't see it in the list so I am sending it on to you. If you would please don't allow the settlement to use the recoverable depreciation as I don't trust them because of the troubles I have already had. Please keep me up to date with transactions and responses. They are already forgetting important facts giving me more of a taste of distrust.

Thank you,

Larry Beer

Larry,

I did get the letter. They are trying to limit the scope of appraisal which they can't do. I'm going to contact their appraiser and make sure he's on the same page with me that they can't do that. I'll let you know once I touch base with him.
